SERVICES NOT PROVIDED:

This service is not designed to address all of the Client's financial needs. Insurance and Estate Planning issues are not necessarily addressed. Portfolio Advisors, Inc. only provides Investment Management Services under the terms of this Agreement. If you desire additional advisory services, the Client is welcome to engage Portfolio Advisors, Inc. under a new or amended Agreement. Portfolio Advisors, Inc. does not provide custody of assets or securities, tax advice or accounting services. We will not provide legal advice or prepare any legal documents for the implementation of your investment plan. We will, however, coordinate our efforts with your tax and legal professionals as you deem appropriate. The Client understands the Client's responsibility to secure the assistance of the Client's personal accountant or legal counsel when the need for such services arises.

Portfolio Advisors, Inc.'s services and recommendations are based upon the portfolio assets as displayed on the Model Portfolio Report. Other assets the Client may have are not supervised under this advisory agreement.

CLIENT RESPONSIBILITIES:

Client recognizes that the value and usefulness of the advisory services provided by Portfolio Advisors, Inc. will be dependent upon information the Client provides and upon the Client's active participation in the formulation of investment objectives. Client agrees to:

- Provide detailed information and copies of documents (such as existing account statements) as Portfolio Advisors, Inc. may request in order to permit complete evaluation of the Client's investment situation
- Notify Portfolio Advisor, Inc. promptly of any changes in the Client's personal or financial situation

CLIENT AUTHORITY:

If our Client is not a natural person, you, as an authorized individual, represent and confirm that the engagement of the Adviser pursuant to the terms of this Agreement, is authorized by the governing documents relating to the Client and that the terms of this Agreement do not violate any obligations by which the Client is bound. Client agrees to deliver all forms, corporate resolutions or similar documentation evidencing the undersigned's authority to execute and deliver this Agreement. Client also agrees to deliver such organizational documents and other documents as we may reasonably require. Client further agrees to promptly deliver all amendments or supplements to the foregoing documents, and agrees that Portfolio Advisors, Inc. is not liable for any losses, costs or claims suffered or arising out of your failure to provide us with any documents required to be furnished hereunder. Client warrants and represents that it owns all property deposited in the Account(s) and that no restriction on disposition exists to any such property.

OTHER AGREEMENTS:

Client acknowledges that nothing contained in this Agreement violates the terms and conditions of any other agreements to which the Client may be bound.

NON-EXCLUSIVE ADVISORY SERVICES:

It is understood that Portfolio Advisors, Inc. performs investment advisory services for various clients. Client agrees that we may give advice and take action with respect to any of our other clients that may differ from advice given to Client. Nothing in this Agreement shall limit or restrict Portfolio Advisors, Inc. from rendering investment advisory services to any other person or firm, or to engage in any other business activities so long as this Agreement or any extension, renewal or amendment hereof shall remain in effect, or until we may otherwise consent. Portfolio Advisors, Inc. will not have any obligation to recommend for purchase or sale, for the Portfolio, any security or other asset we may purchase, hold or sell for our own accounts or for the accounts of any other clients.

TERM:

Either party may terminate this Advisory Agreement anytime upon receipt of written notice. Termination will be effective as of the date written notice is received. Client may terminate this agreement within five (5) business days after entering the agreement and incur no management fees. Your death, disability or incompetency will not automatically terminate or change the terms of this agreement. However, your personal representative, guardian, attorney-in-fact, or other authorized representative may cancel this agreement by giving written notice to us. This allows our continued involvement on behalf of your heirs unless this agreement is cancelled as stated above.

COMPENSATION:

Fees for Investment Management Services are calculated as follows:

First \$1,000,000 @ .25%	per quarter (1.00% per year)
Portion above \$1,000,000 @ .125%	per quarter (0.50% per year)
Portion above \$3,000,000 @ .0625%	per quarter (0.25% per year)

Asset management fees are payable at the end of each calendar quarter based on the portfolio value as of the last business day of the quarter. The minimum quarterly fee is \$250. Fees for partial quarters are calculated on a pro-rata basis.

Portfolio Advisors, Inc. does not accept performance fees. The fees set forth are for financial analysis and Investment Management Services only and do not include any other professional services that may be required to implement the recommendations made by Portfolio Advisors, Inc.

Client authorizes payment of fees by the custodian holding Client's funds and securities. Several criteria must be met when payment is made by the custodian: (1) The Client provides written authorization permitting the fees to be paid directly from the Client's account held by the independent custodian, and the authorization is limited to withdrawing contractually agreed upon investment advisor fees. (2) The Advisor must notify the Client, in writing, by at least first class mail, of the exact amount of the proposed withdrawal and the specific manner or basis on which the fee has been calculated, and such notice shall advise Client of the opportunity to object to the invoiced amount and the manner in which the objection shall be made. (3) The frequency of fee withdrawal shall be specified in the written authorization/agreement. (4) The custodian of the account shall be advised in writing of the limitation on the Advisor's access to the account. (5) The custodian agrees to send to the Client a statement, at least quarterly, indicating all amounts disbursed from the account including the amount of advisory fees paid directly to the Advisor. (6) Client shall be able to terminate the written billing authorization or agreement at any time. Payment of fees may be made directly by Client upon request. Client authorizes the sale of securities if there is insufficient cash for the debiting of management fees. Client acknowledges that taxable gains could result from such sales.

TRADING AUTHORIZATION:

A Limited Power of Attorney (LPOA) is generally executed with the custodian of Client assets. The LPOA does not provide Portfolio Advisors, Inc. with custody of Client securities. Portfolio Advisors, Inc. does not and will not have custody of Client funds or securities. The LPOA provides Portfolio Advisors, Inc. with the power to execute trades on the Client's behalf, and authorizes the custodian to deduct management fees from Client's account upon direction from Portfolio Advisors, Inc. Generally, Charles Schwab & Co., Inc. is recommended as broker to execute securities transactions. Client, however, retains authority to direct trades to other brokers. Portfolio Advisors, Inc. will not exercise discretionary control over any of Client's assets. Portfolio Advisors, Inc. shall be responsible only to make investment recommendations to Client and to execute investment transactions after obtaining Client's approval. Client will retain absolute discretion over all investment decisions.

Once an asset allocation is agreed upon for the portfolio, a Model Portfolio is developed which identifies specific target percentages for each asset. If the actual percentages diverge from the target percentages, Client authorizes Portfolio Advisors, Inc. to buy and/or sell securities to rebalance the portfolio closer to the targets. If Client requests a cash withdrawal, Client authorizes Portfolio Advisors, Inc. to sell assets, if necessary, to meet the cash needs. Certain asset sales could result in taxable gains. Portfolio Advisors, Inc. will consult with Client prior to any sale that might result in significant capital gains. Client authorizes Portfolio Advisors, Inc. to invest cash deposits made to Client accounts in order to move the portfolio closer to the target percentages.

Account custodians will debit Client accounts for various trading expenses, including brokerage commissions, margin interest, custodial fees, and bank or brokerage service fees, as applicable. No portion of such fees is received by Portfolio Advisors, Inc. or by its principals or its Advisory Representatives.

CONFIDENTIALITY:

All information you may furnish to Portfolio Advisors, Inc., including the Firm's Associated Persons, and all information and advice we provide the Client, shall be treated as confidential and shall not be disclosed to third parties. The only exceptions to this policy are when the Client specifically directs us to provide information to a third party or where we may be required to do so pursuant by law or regulation.
